With Philippine Airlines

Fun fact: This is the last social media ads that I made for philippine airlines before I came to Canada on December 2023.

Layout Reels for UnMeat!

Unmeat is a Vegan brand who sells low calories and Plant based product.

THE PLANT-BASED ERA

An advertisement for UnMeat. The top section has a black background with the UnMeat logo (a green leaf) and the text "unMEAT MYTH BUSTER #1" in white and yellow. Below this are two green speech bubble-like shapes. The left one says "MYTH EATING PLANT-BASED IS TOO EXPENSIVE" and the right one says "FACT IT'S AFFORDABLE WITH unMEAT". Below these are images of plant-based food: a bowl of rice with vegetables, a bowl of lentils with vegetables, and a bowl of rice with vegetables. A person with a brown backpack is seen from behind, walking towards a green wall. In the bottom right corner, there is a green badge that says "STARTS AT P120 SRP ONLY".
